

PROGRAMME FOR 2013 GREENLAND DAY IN PERTH, WESTERN AUSTRALIA

The sponsors are acknowledged very much for their support of the Greenland Day. Greenland Minerals and Energy Ltd. is the major sponsor together with sponsorships from DHI, Ironbark Zinc Ltd., Czech Geological Research Group (CGRG). Ministry of Industry and Mineral Resources (Government of Greenland), the Centre for Exploration Targeting and GEUS are both organizers and sponsors of the event.

Tel.: +299 586170

2013 GREENLAND DAY PROGRAMME

2013 Greenland Day – 10 December, Perth		
08.30 - 09.00	Registration	
09.00 - 09.10	Marco Fiorentini & Henrik Stendal	Welcome
09.10 – 09.30	Henrik Stendal	New initiatives in the exploration and mining in Greenland
09.30 - 09.50	Jochen Kolb <i>et al.</i>	New aeromagnetic data and large-scale structure of southern Greenland
09.50 - 10.15	Marco Fiorentini <i>et al.</i>	The mineral systems approach linking research and exploration
10.15 - 10.40	Diogo Rosa, Per Kalvig, Thorkild M. Rasmussen & Lars L. Sørensen	MVT mineralization of northern Greenland – Results from the 2012 and 2013 Summer seasons
10.40 - 10.55	Morning Break	
10.55- 11.20	Diogo Rosa & Bo Møller Stensgaard	Tungsten mineralization in Greenland – Preliminary results of the resource assessment workshop
11.20 - 11.45	Jochen Kolb <i>et al.</i>	Archean and Palaeoproterozoic deep gold systems in Greenland
11.45 - 12.10	Marco Fiorentini <i>et al.</i>	Archean and Palaeoproterozoic deep nickel systems in Greenland
12.05 – 12.30	Marco Fiorentini, Nicolas Thebaud, Jochen Kolb, Henrik Stendal (facilitators)	Discussion: What kind of research would be needed to facilitate exploration in Greenland? Special emphasize on the deeper crust and its prospectivity.
12.30 - 13.30	Lunch Break & Poster Session	

2013 Greenland Day – 10 December, Perth		
13.30 - 13.55	Henrik Stendal	Outlook: Exploration projects and commodities in Greenland
13.55 - 14.15	John Ferguson	The latest findings relating to the Maniitsoq nickel-copper-cobalt project by Advisor to North American Nickel Inc.
14.15 - 14.35	Petr Dvorsky & Jan Stembera	Exploration projects in East Greenland (granite intrusions) by Czech Geological Research Group (CGRG Ltd.)
14.35 - 14.55	Robert Mosig	Development in the Skaergaard project by Platina Resources Ltd.
14.55 - 15.25	Afternoon Break & Poster Session	
15.25 - 15.45	Greg Barnes	Kringlerne zirconium - rare earths mining project and indications of an IOCG deposit by Tanbreez Greenland
15.45 - 16.05	John Mair	The giant Kvanefjeld rare earth - uranium deposit: a globally significant future supply of critical rare earths and uranium by Greenland Minerals and Energy Ltd.
16.05 - 16.25	Jonathan Downes	Citronen Fjord zinc project approaching the mining phase by Ironbark Zinc Ltd.
16.25 - 16.40	Hans Peter Hansen	Air Greenland and exploration
16.25 - 17.00	MIM and CET	Discussion, summing up and concluding remarks
17.00 - 19.00	Sundowner & Poster Session	

NAALAKKERSUISUT
GOVERNMENT OF GREENLAND

It is the fifth year; the Greenland Day conference gives industry members a golden chance to learn how they can benefit from the island's mineral riches. Technical presentations on the latest initiatives, the island's geological history, and some of the potential exploration activities will be given by senior members of the Ministry of Industry and Mineral Resources, the Geological Survey of Denmark and Greenland (GEUS) and the CET. Company project presentations include Czech Geological Research Group, Greenland Minerals and Energy, Ironbark Zinc, North American Nickel, Tanbreez, Platina Resources and Air Greenland.

You are all welcome to the Greenland Day in Perth.

Thank you to our sponsors:
